VACCINATIONS

New cases of Covid-19 are dropping across the U.S. as more people get vaccinated daily. In Kentucky, Governor Beshear continues to challenge Kentuckians to receive the vaccine. To date, approximately 1.8 million Kentuckians have received the vaccine. At the current rate, restrictions could be lifted by mid-summer. If you haven't received a vaccine but would like to, click [here](#) to find a location near you.

The spring enrollment period for LIHEAP is now open. The LIHEAP Spring Subsidy runs now through June 30, 2021.

Applications will be accepted during the enrollment period, or until designated funds are depleted on a first-come, first-serve basis. For more information, contact your local Community Action office. [Click here](#) to locate your local office.
