STANDING TOGETHER

WEEK 4

This week, the first businesses are reopening in Kentucky. We are excited for this first step! Now more than ever, it's extremely important that we follow the CDC and State guidelines for safety. This week, we'll share helpful hints and online resources to keep you up to date. As always, we also have a fun tip for you to enjoy with your family while you remain #healthyathome.

STATUS UPDATE

As of April 29, we are operating at a **LEVEL 3** response. For you that means:

- Warren RECC lobbies are CLOSED
- Drive-thru windows are OPEN
- Visitors are asked to reschedule unless it is an emergency

Visit www.wrecc.com to make payments or to apply for service.

MASKS

On Monday, Governor Beshear announced that all Kentuckians should plan to wear masks in public starting May 11. Before then, you will likely be asked to wear a mask if you visit a healthcare provider. Visit the [CDC website](https://www.cdc.gov) for detailed instructions on the best types of masks and how to properly wear them.

TELEWORKING

While businesses are gradually reopening, many of you will continue to work from home. Teleworking is a great way to continue to stay healthy at home, but it can be a challenge! For more on teleworking best practices, check out these FREE webinars from WKU's Division of Extended Learning and Outreach:

AN ESSENTIAL LIST OF

WORK FROM HOME TOOLS

1. A dedicated **workspace**
2. A **computer**
3. A good **internet connection**
4. **Video conferencing** and **chat** apps
5. **Earphones** or a **headset**
6. **Self-discipline** and a healthy, productive mindset

Let's help **#StopTheSpread** by staying indoors and working remotely if we can.
