

WE'RE BACK!

We're back! As we mentioned, this newsletter will now be released every two weeks.

From schools to sports, it's been a wild couple of weeks on the COVID-19 front, so let's get right to it!

STATUS UPDATE

As of August 12, we are operating at a **LEVEL 2** response. For you that means:

- Warren RECC lobbies and drive-thrus are OPEN
- Visitors are asked to voluntarily limit visits to the office, especially if feeling ill

NEW GUIDANCE

Since we last met, Kentucky's positivity rate has climbed slightly above 5%, which has led Governor Andy Beshear to implement some additional restrictions and recommendations. The facial covering requirement set to expire over the past weekend was extended for an additional 30 days. Restaurants and bars are allowed to return to 50% capacity, however "last call" is now set at 10 pm. To read the Governor's latest guidance, click [here](#) or [here](#).

EDUCATION

On Monday, Governor Beshear asked schools to delay opening until September 28. Read more [here](#).

High school athletics also remain a topic of interest. The KHSAA will meet on August 20 to further consider the fall sports season, which is currently set to begin practices on Aug. 24.

KY CAREER EDGE

The Kentucky Career Center has launched a comprehensive online tool for students and job seekers preparing to enter or re-enter the workforce. Among its many resources, the site includes resources for resume building and personality tests to help you discover your best career path. To learn more, click [here](#).

SHARK WEEK!

To celebrate Shark Week 2020, we have a couple of fun events. If you're in the Bowling Green area, the Warren Co Public Library is hosting a screening of the movie "Jaws" at the Hot Rods Ballpark on Friday, August 14. Doors open at 7:30 pm. Masks and proper social distancing will be required. Not ready to head out or too far? Tune in to the Nashville Zoo's Facebook page on Thursday at 6 pm for a FB Live presentation on Aquatic Creatures! For more information, click [here](#).
