

12/30 EDITION

Welcome to the December 30 edition of the Warren RECC COVID-19 newsletter. Over the past 2 weeks, the Governor has reported declining positivity rates across the Commonwealth. Unfortunately, the Governor is also reporting record numbers of deaths. At the same time, more vaccine continues to arrive across the state. For more information on how the vaccine will be distributed, click [here](#).

STATUS UPDATE

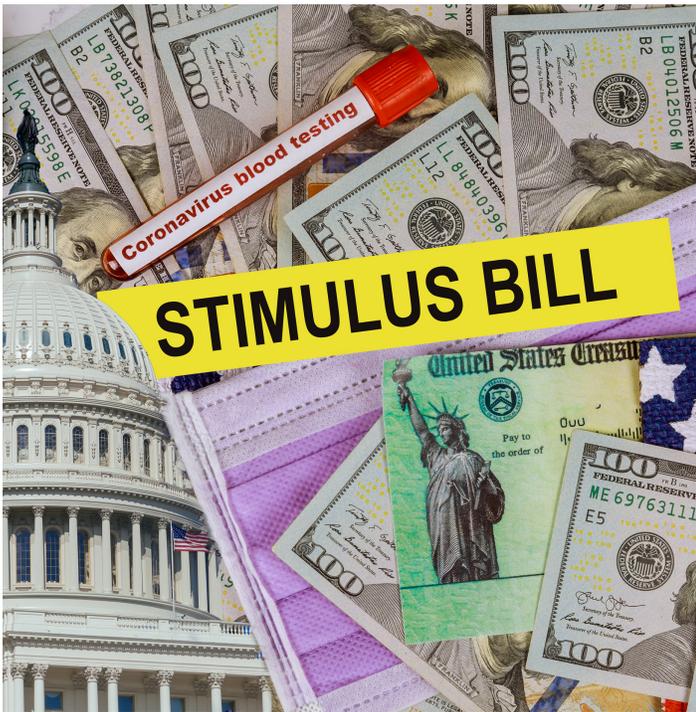

As of December 30, we are operating at a **LEVEL 2** response. For you that means:

- Warren RECC lobbies and drive-thrus are OPEN
- Visitors are asked to voluntarily limit visits to the office, especially if feeling ill

Visit www.wrecc.com to make payments or to apply for service.

FEDERAL RELIEF

On December 27, a second COVID-19 relief bill was signed into law. Included in the bill is another round of stimulus checks for individuals, \$300 federal unemployment benefits, money to help businesses pay employees, a monthlong extension of a federal eviction ban, and funding to help distribute the coronavirus vaccine. TREES FOR FISH

Now that Christmas is over and decorations are coming down, consider donating your tree to the Kentucky Department for Fish & Wildlife Resources for fish habitat construction. KDFWR will take your tree and combine it with others to create fish attractors for lakes all over the state. Trees will be used to replenish existing fish habitat sites as well as create new habitat sites. Read more [here](#).

GOODBYE 2020!

Since crowds will not be allowed to gather in Times Square for the annual ball drop this year, the festivities are coming to you through a creative new app. Accessible on phones, tablets, and PCs, [this app](#) allows users to place themselves right in the heart of Times Square to take part in games, view digital art, hear musical performances, play with augmented reality filters and watch a live broadcast of the ball drop.
