1/27 EDITION

Welcome to the January 27 edition of the Warren RECC COVID-19 newsletter. Over the past 2 weeks, COVID-19 cases have begun to level off while vaccine distribution has ramped up. In addition, we welcomed the 46th President of the United States, Joe Biden on January 20th.

STATUS UPDATE

As of January 27, we are operating at a **LEVEL 2** response. For you that means:

- Warren RECC lobbies and drive-thrus are OPEN
- Visitors are asked to voluntarily limit visits to the office, especially if feeling ill

MASKS

One of President Biden's first actions was to sign an Executive Order requiring masks on federal property and encouraging widespread mask use throughout the United States. You can read the Executive Order here. Please continue to wear your masks, social distance, and wash your hands to prevent further spread of the COVID-19 virus.

ASSISTANCE

On January 25, the Governor announced $38 million available to local governments to help Kentuckians with overdue utility bills in their jurisdiction. Eligible households may receive up to $250 per month for six consecutive months. For more information on the eligibility requirements as well as how to apply for the funds, read more here.

VACCINE UPDATE

On January 14, Governor Beshear announced a partnership with Kroger that will expand and speed up COVID-19 vaccinations in Kentucky by setting up regional drive-thru vaccination locations. The number and location of sites will be announced on January 28. Vaccinations are set to begin the week of February 1. All groups of Phase 1 (A, B, and C) will be eligible to receive shots at these locations. Read more here and here.

MONSTERS!

The monsters are back! The EnergyRight Monsters, a colorful cast of monster friends, teach kids where energy comes from, the ways we use energy in our lives, and how they can help their families save energy and money around the house.
