

WEEK 16

Welcome to Week 16 of our COVID-19 newsletter! Unfortunately, Kentucky, along with several other states, is still seeing a growth in positive COVID-19 cases. In response, the Governor has increased travel and other precautions. Please remember to wear your masks and practice all Kentucky Healthy at Work guidelines!

STATUS UPDATE

As of July 22, we are operating at a **LEVEL 2** response. For you that means:

- Warren RECC lobbies and drive-thrus are OPEN
- Visitors are asked to voluntarily limit visits to the office, especially if feeling ill

Visit www.wrecc.com to make payments or to apply for service.

GATHERINGS

On July 20, the Governor announced a return to guidance that calls for a limit of 10 people at social, non-commercial mass gatherings. For more information on what that means for you, check out the Governor's order [here](#).

TRAVEL ADVISORY

In addition to the rollback on mass gatherings, the Governor also issued a travel advisory encouraging those who travel to states reporting at or above 15% positivity rates to self-quarantine for 14 days upon returning home. To read more, including a list of states, click [here](#).

ART CONTEST

Our annual Design the Cover contest for our Warren RECC cookbook is back! The winner will receive \$100 and their artwork will become the cover of the cookbook. Honorable mentions in each grade group will each receive \$50 and their artwork will appear inside the book. For rules and to see the deadline for submissions, click [here](#).

HOME ENERGY

On July 28 at 11:30 am (CST) and 5:30 pm (CST), TVA will be offering its first online Home Energy Workshop. The workshop is designed to be similar to the very popular in person Home Energy Workshops we offered last year. For more information or to register for this FREE workshop, click [here](#).
