

## WEEK 12

Welcome to Week 12 of our COVID-19 newsletter! Beginning next week, several restrictions will be lifted and larger groups will be able to gather in one place. While it is an exciting time, we encourage you to continue wearing masks and practicing all the Healthy at Work guidelines.

## STATUS UPDATE

As of June 24, we are operating at a **LEVEL 3** response. For you that means:

- Warren RECC lobbies are CLOSED
- Drive-thru windows are OPEN
- Visitors are asked to reschedule unless it is an emergency

Visit [www.wrecc.com](http://www.wrecc.com) to make payments or to apply for service.

## A GUIDE TO MASK USE

Before putting on a mask, clean hands with alcohol-based hand rub or soap and water.

Cover mouth and nose with mask and make sure there are no gaps between your face and the mask.

Replace the mask with a new one as soon as it is damp and do not re-use single-use masks.

To remove the mask: remove it from behind (do not touch the front of mask); discard immediately in a closed bin; clean hands with alcohol-based hand rub or soap and water.

## MASKS

One of the most important things you can do to help stop the spread of the COVID-19 virus is wear your mask. With quarantine restrictions easing and plans being made for schools to reopen in a few short weeks, it looks like masks are here to stay. It is a good time to revisit best practices for wearing, cleaning, and disposing of masks. Visit the [CDC's Face Coverings](#) page to brush up!

## FINANCIAL HELP

If you are experiencing a financial hardship due to the COVID-19 pandemic, assistance is still available. LIHEAP funds are still available in all Kentucky Community Action Agencies.
