

## 11/5 EDITION

Welcome to the November 5 edition of the Warren RECC COVID-19 newsletter. With Halloween and a nationwide election, we have had an active couple of weeks. Unfortunately, we are also seeing record numbers of cases of COVID-19 across the state. Please remember to wear your mask, social distance, and wash your hands often.

## STATUS UPDATE

As of November 5, we are operating at a **LEVEL 2** response. For you that means:

- Warren RECC lobbies and drive-thrus are OPEN
- Visitors are asked to voluntarily limit visits to the office, especially if feeling ill

Visit [www.wrecc.com](http://www.wrecc.com) to make payments or to apply for service.

## COVID-19 UPDATE

In response to the growing number of COVID-19 cases in the state, Governor Beshear has asked all community leaders, schools, businesses and families listed in red zone counties to follow new safety recommendations. The Red Zone Reduction Recommendations can be found here. Stay safe!

## ASSISTANCE

On October 19, Governor Beshear introduced the Healthy at Home Utility Relief Fund to help Kentuckians struggling with utility bills. In addition, LIHEAP Heating Assistance is now available through December 11. For more information on this and other available assistance, contact your local Community Action office. To locate your local office, visit [www.capky.org](http://www.capky.org).

## 2020 ELECTION

The 2020 election is now one for the history books. We would like to congratulate all of the legislators who represent our Warren RECC territory, including newcomer Shawn McPherson. Rep. McPherson will fill the empty seat left by the retirement of Rep. Wilson Stone.

We thank you for all you do and look forward to working with you!
