**WARREN RECC OUTAGE UPDATE**

March 4, 2023 (Bowling Green, KY) **9:30 a.m.** Warren RECC staff and crews continue to work to fully restore power to our members. At the height of yesterday's windstorm, 45,000 Warren RECC members were without power. As of 9:00 a.m. this morning, more than 16,000 of those have been restored, with approximately 29,000 Warren RECC members still without power.

Today, we have 22 additional crews arriving from as far away as Florida, and we expect a more favorable weather forecast. We will continue to work systematically through our service area until all power is restored. However, restoration of this magnitude does take time, and we are still estimating a multi-day restoration event.

We will continue to provide updates as information becomes available. Please remember to stay away from downed power lines. If you see a downed power line, please report it to one of our outage lines: In Warren County call 270-843-9710. Outside Warren County, call 1-888-604-4321.
