WARREN RECC OUTAGE UPDATE

June 27, 2023 (Bowling Green, KY) **8:50 a.m.** Warren RECC staff and crews continue to work alongside visiting crews to fully restore power to our members. As of 8:50 a.m., we have approximately 10,400 members still without power. We have made strong progress, and look forward to another productive day.

At present, we have a total of 26 additional crews helping us restore power. Crews have each been assigned specific outages to work. Their assignments are part of an overall plan for restoring the remaining outages quickly and efficiently.

At this point, we have 98 broken poles across the service territory. We continue to ask for patience as we restore the remaining areas. We are working around the clock to get power restored as soon as possible.

Once again, we would like to remind everyone to avoid work areas. We want to keep everyone as safe as possible during our restoration efforts.

We will continue to provide updates as information becomes available. Please remember to stay away from downed power lines. If you see a downed power line, please report it to one of our outage lines: In Warren County call 270-843-9710. Outside Warren County, call 1-888-604-4321.
