**WARREN RECC OUTAGE UPDATE**

June 30, 2023 (Bowling Green, KY) **4:30 p.m.** As of 4:30 p.m., we have 583 members without power.

Crews have made strong progress today. At this time, we have restored approximately 98% of our members and replaced 165 broken poles. Since the beginning of this week's multiple events, over 51,000 members have been affected in some way.

As we look into the holiday weekend, we are aware of the chance for additional storms in our service territory, and we are watching the weather carefully. We have crews available throughout the weekend should they be needed.

We will continue to provide updates as information becomes available. Please remember to stay away from downed power lines. If you see a downed power line, please report it to one of our outage lines: In Warren County call 270-843-9710. Outside Warren County, call 1-888-604-4321.
