Guidelines

Our educational system is an important part of our communities, and Warren RECC is proud to support learning with financial assistance toward higher education for our members.

- Warren RECC will award scholarships to a limited number of high school seniors, non-traditional students, and upperclassmen. These scholarships range from \$500 - \$5,000 based on available funding. Students must pursue post-secondary training at an accredited, credential-granting institution.
- Scholarships will be given for Fall 2024 and Spring 2025 semesters, allocated evenly over two semesters. Half of the award will be paid at the time of enrollment. The remaining allotment will be paid at the beginning of the Spring 2025 semester with a documented, minimum 2.8 grade point average and proof of enrollment.
- This award is a need-based scholarship. Family income and other scholarships and/or awards will be considered. Applications will not be considered unless all required financial information is furnished.
- This is an equal opportunity program. Scholarships will be awarded without regard to race, religion, sex, age, national origin, or disability. Children and grandchildren of employees and Board members of Warren RECC are not eligible to participate in this program.
