WARREN RECC OUTAGE UPDATE

May 17, 2025 (Bowling Green, KY) **8:00 p.m.** Warren RECC staff and crews continue to work alongside visiting crews to fully restore power to our members. As of 8:00 p.m. CDT, we have restored over 90% of our members, with approximately 1,700 members still without power.

At this time, we have 26 additional crews on site and working with additional crews arriving this evening. We look forward to continuing the momentum we have developed today. We will continue to work around the clock until everyone is restored.

We would like to thank our members for their patience and for the kindness they have shown our crews this weekend. Please remember to avoid work areas. We want to keep everyone as safe as possible during our restoration efforts.

We will continue to provide updates as information becomes available. Please remember to stay away from downed power lines. If you see a downed power line, please report it to one of our outage lines: In Warren County call 270-843-9710. Outside Warren County, call 1-888-604-4321.
